## The Best of the Week in SkillsUSA Georgia 1.13.12

- **CTSO Winter Training at Rock Eagle**  
SkillsUSA State and Region Officers joined CTSO officers from all of the state last weekend to prepare for the upcoming Legislative Luncheon. State Presidents worked diligently on the script for the luncheon. Our very own State President, Courtney Culpepper will be introducing Governor Nathan Deal and State School Superintendent Dr. John Barge at the February 22 Legislative Luncheon at the Freight Depot in Atlanta. Officers received excellent training on etiquette from Mrs. Debra Lassiter of Perfectly Polished. The weekend wasn't without a little fun though as the officers enjoyed a bonfire and celebrated State Parliamentarian Karina Rodriguez's birthday!
  
- **Sequoyah Middle School Charter Ceremony**  
SkillsUSA members and advisors from Cross Keys High School in Dekalb County have worked this past semester with their local middle school to establish a SkillsUSA Chapter. Their hard work and dedicated effort paid off this past week as Sequoyah Middle School held a Charter Ceremony to induct their new members and officially announce their chapter. Cross Keys High School SkillsUSA members were on hand to lead the ceremony, recite the SkillsUSA pledge and creed as well as take time to talk with their middle school counterparts. We look forward to chartering many more middle school chapters in the future.
