

Testing Reminders

- Competitors should only take the exam for the contest they registered to compete in for the State Leadership and Skills Conference.
- Students will have 2 hours to complete the exam.
- Students can start testing anytime during the testing window (April 27 - May 6).
- Once the test starts, competitors cannot log out or click out of the program. If they do, the test will stop and they will not be allowed to retest.
- No cell phones may be used. No internet surfing or testing books are allowed during the duration of the test.
- Teammates are not required to test at the same time.
- Students are only allowed to take the test once. Scores will not appear.
- **The State Champions (1st - 3rd place winners) will be announced on May 11th.**
