

SLSC COMPETITION ELIGIBILITY

ELIGIBILITY POLICY

SkillsUSA Georgia is committed to providing student opportunities in our effort to fulfill our mission of empowering students to become skilled professionals, career-ready leaders, and responsible community members.

Limiting the number of competitions a student registers for ensures more students are granted opportunities and ensures efficient use of our resources and those of our partners.

Please help us by registering students according to the Board-approved Competition Eligibility Policy:

At the State Leadership and Skills Conference, a student can compete in one (1) national-advancing competition and one (1) state-only competition for a maximum of two (2) competitions.
